

## Scheduled Power Outage

A power outage is scheduled for the Hippolito F. Garcia U. S. Courthouse in San Antonio from the evening of Friday, May 28th through the early morning of Tuesday, June 1st. All of the Texas Western Bankruptcy Court's computer systems will be powered off during that time. The Case Management / Electronic Case Files (CM/ECF) System will be accessed via a replication server at a different location beginning around 5:30 a.m. on Friday. There will be no difference to attorneys, trustees, the public, etc. other than perhaps some decreased response time or slowness during the interim period. CM/ECF and ECF PACER can be accessed through the customary web link <http://ecf.txwb.uscourts.gov>.

Please note:

The Case Management / Electronic Case Files (CM/ECF) System will not be available from 4:30 - 5:30 a.m. on Friday, May 28th, and from 6:30 - 7:30 a.m. on Tuesday, June 1st.

The Voice Case Information System (VCIS) will not be available 4:00 p.m. on Friday, May 28th through 7:30 a.m. on Tuesday, June 1st.

The court's Internet website homepage will not be available 4:00 p.m. on Friday, May 28th through 7:30 a.m. on Tuesday, June 1st, and will be replaced at <http://www.txwb.uscourts.gov> with a page, containing the link to CM/ECF during that time.

After power is restored to the building on Tuesday, June 1st, we expect all computer systems to be powered up and fully operational by 7:30 a.m. if not sooner, including VCIS and the court's Internet web site.

We apologize for any inconvenience.
